ROTARY
SERVING
HUMANITY

PRESIDENT'S MESSAGE 23 AUGUST 2016

At our Board meeting on Tuesday the Board approved honorary membership for long serving and active club members Geoff Wood and John Wischer, both of whom recently retired from the club. A presentation night for them will be held on Tuesday 18th October. Terry Rolleston will be presented with his honorary membership pin and certificate on that night also.

As well as our regular community involvement such as the Bread Run and Farmers' Market, we have many 'silent achievers' within the Club. These are members who routinely work for community causes or in a District role for which many members are unaware, particularly newer members. Over the year we will ask these members to update the meeting on their activities outside the club. The club can then acknowledge what these members achieve and it is another way of keeping all the membership informed of all Rotary activities.

Looking forward to seeing you next Tuesday if not before on Saturday at the Public Image Seminar or on Sunday at the Parkinson's Walk
Yours in Rotary, Carol

LAST WEEK'S SPEAKER - JOHN PESUTTO MLA FOR HAWTHORN

We were pleased to welcome John Pesutto to our meeting as our guest speaker. John was elected as the member for Hawthorn on the retirement of our own Ted Baillieu in November 2014.

John is the son of Italian immigrants who settled in the Latrobe Valley. After his schooling in the Valley he attended Melbourne University graduating with a combined degree in Law / Commerce.

John's ambition after graduation was to become a member of parliament and put his name forward for preselection. He was not successful at preselection on a number of occasions, finally at the fourth attempt he was selected for the Electorate of Hawthorn.

John gave us an insight to the day to day work of a member of parliament especially in his electorate and in his position of Shadow Attorney General.

Thanks John for your time, your talk gave us an opportunity to see the side of a Member of Parliament which is rarely seen in the media.
